Hi Adele: this morning, Carolyn will be sending you the paperwork to process 5 PRs for publication of the announcement of public notice for the Dewey Burdock UIC permits in the following local media sources: 1) Custer County Chronicle in Custer, South Dakota; 2) Lakota Country Times in Martin, South Dakota; 3) Rapid City Journal in Rapid City, South Dakota; 4) Fall River County Herald in Edgemont, South Dakota; and 5) Indianz.com website. Carolyn has secured cost estimates from each media source.

In talking with Maryann this morning, she should be able to put the appropriate funding on these five PRs today if we can get them to her via my approval by 1 pm.

Please note that the version of our document we used for getting cost estimates will not be exactly the same as the publication ready version we will need to use for authorizing publication before the end of August. The final version should be ready for you to submit to these sources next week.

I'll stop by a little later to make sure you have everything you need.

Thanks!
